

## 2014 RCL Eastern Zone Convention

The Convention activities began with a “Meet & Greet” evening at Post 84 in Royal Oak, Michigan. It was a good evening with comrades enjoying chatting together, snacking, the entertaining DJ and some playing pool. We enjoyed a delicious lunch before the meeting began at 1:00 PM. All Officers were present along with the Post delegates. After reviewing the revised Zone By-laws, a motion was made to accept, motion 2<sup>nd</sup> and motion carried. The revised By-laws will be submitted to Dominion Command for final approval. If approved, the major changes are that the Eastern Zone per-capita will increase from \$3.00 to \$4.00, effective with the dues for 2016 membership. Also, as a cost saving effort, the Eastern Zone will be meeting in May and September on the odd years and only in September on the even years.

It was announced by Bill Carpenter, that Post 168 in Dayton, Ohio has passed to change its address to Zephyrhills, Florida. This is a result of the “Voluntary Address Change Program” developed by Dann Oliver and passed by the Eastern Zone. Comrades Bill Carpenter and Dann Oliver will be working together to manage this change.

The evening dinner was well attended by approximately 35 people. The meal was prepared by Cynthia Garrett with all fresh items. It was delicious and enjoyed by all.

The next Convention is scheduled for September 25<sup>th</sup> and 26<sup>th</sup> 2015. This will include the election and installation of Officers. Please plan to attend.

In Legion Service,

Judy Miller, Commander of the RCL Eastern Zone
